MoP 1 raised the issue of a change.org petition calling for the resignation of Cllr D Whipp and asked why it hadn't been addressed. The Council hasn't had formal notice of the petition, so couldn't comment, although Cllr L Barrett outlined some of the changes that had been made since the resignation of the former Clerk.

The meeting was paused at this point (7.08pm). Cllr L Barrett asked Cllr D Whipp to stop making an additional, close-quarters recording of the meeting, as it was already being live streamed and his actions were intimidating Councillors and disrupting the debate. Cllr D Whipp refused the request and Cllr L Barrett issued a formal warning.

Proposal to require that Cllr D Whipp cease filming the meeting and defer to the official livestream/ recording.
RESOLVED: That Cllr D Whipp should cease his recording.

Cllr D Whipp refused to accede to the resolution. Proposal to ask Cllr D Whipp to leave the meeting.
RESOLVED: Cllr D Whipp to be asked to leave the meeting.

26/69 Town Square Usage Policy

The draft policy had been shared with members; a proposal was made to adopt it.
RESOLVED: To adopt the draft as policy.

26/70 Pride in Place Projects

a. Heritage Stream and Steam

After a meeting with an officer at PBC, we now have a project variation request to merge the PIP funding to refresh the Stream & Steam Heritage Trail and deliver the Sculpture Trail as a single expanded project. A proposal was made.
RESOLVED: To merge these funds for the benefit of the two projects.

b. Pump Track

After further discussions with Pendle Officers and a walk around the proposed locations, the site identified as the best fit for the Pump Track was Clough Park. A sketch has been shared with members. A proposal was made to accept a variation to the Pump Track project by potentially locating it at Clough Park (currently the site isn't owned by BTC – for discussion later).
RESOLVED: To progress the variation of this Pump Track project, potentially at Clough Park

c. Performance Area

The scope of the project was amended slightly as a result of BTC acquiring the Town Square and commissioning a site survey/ assessment as to best/ potential uses. After discussions with a dedicated Working Group and officers of PBC, the submission of a variation to the original plan is being progressed and includes: a temporary performance area rather than a fixed stage, assessing/ upgrading a tree and flower bed due to damage, and incorporating seating as part of the project.
RESOLVED: To progress the creation of a performance area/ upgraded amenity as a variation of the Town Square project.
